Provider Directory
January 2022

Our Provider Directory lists all of the doctors and providers that are part of MedStar Family Choice. To help you choose a provider near you, our providers are listed by city or county.

As a member of MedStar Family Choice, you must pick a primary care provider who will help you with all of your medical care and other special needs. Our primary care providers are listed in the section called *Primary Care* for each county or city.

The other providers listed in this directory are called specialists and are listed by county or city and then by type of specialty. Included in this list are providers such as cardiologists, neurologists, OB/GYNs, dialysis units, labs, radiology providers, skilled nursing facilities, rehab providers (PT/OT/ST) and vision providers. The directory will let you know if the office is accessible for people with disabilities. We review the office location for accessible parking and entry ways as well as elevators. We also look for accessible hallways, restrooms and handrails. If the office is not accessible we will tell you the reason. Some examples of not being an accessible location would include the following: no accessible parking, no handrails, no accessible restroom, or no accessible entryway or hallway.

You may also view our website at **MedStarFamilyChoice.com** to obtain a current listing of our providers. In addition, our website contains detailed information regarding providers such as office hours, education history and board certification information. If you do not have access to the internet and would like this additional information for a specific provider, you may contact Member Services and they can provide you with a copy of the additional information.

Remember you can always make appointments directly with vision and dental providers. If you need assistance with locating an eye doctor, please call Avesis at **844-478-0512**. If you need assistance with adult dental issues, please call Avesis at **844-478-0512**.

If you have any questions about the information in this directory, you may call our Member Services Department toll-free at **888-404-3549**.

Directorio de Proveedores
Enero 2022

Nuestro Directorio de Proveedores enumera todos los médicos y proveedores que pertenecen a MedStar Family Choice. A fin de ayudarle a elegir a un proveedor cerca de usted, nuestros proveedores están enumerados por ciudad o condado.

Como miembro de MedStar Family Choice, usted debe elegir un proveedor de atención primaria que lo ayudará con toda su atención médica y otras necesidades especiales. Nuestros proveedores de atención primaria se encuentran enumerados en la sección denominada Primary Care (Atención primaria) para cada condado o ciudad.

A los demás proveedores en este directorio se les denomina especialistas y están enumerados por condado o ciudad y luego por tipo de especialización. En esta lista se incluyen proveedores tales como cardiólogos, neurólogos, obstetras/ginecólogos, proveedores dentales, unidades de diálisis, laboratorios, radiólogos, centros de enfermería especializados, proveedores de rehabilitación (PT/OT/ST) y proveedores de cuidado de la vista. El directorio le indicará si los consultorios son accesibles para personas con discapacidades. Revisamos que la ubicación del consultorio cuente con estacionamiento y entrada accesibles, así como ascensores. También verificamos que los consultorios tengan pasillos, baños y pasamanos accesibles. Si un consultorio no es accesible, le diremos la razón. Algunos ejemplos de no ser una ubicación accesible incluyen los siguientes: no tiene estacionamiento accesible, no dispone de pasamanos, no cuenta con baños accesibles o no entrada o pasillo accesible.

También puede visitar nuestro sitio web en **MedStarFamilyChoice.com** a fin de obtener un listado actualizado de nuestros proveedores. Asimismo, nuestro sitio web le ofrece información detallada sobre los proveedores tal como horario de atención, antecedentes académicos e información sobre certificación de la junta. Si usted no cuenta con acceso a Internet y desea contar con esta información adicional para un proveedor específico, puede ponerse en contacto con Servicios a los Miembros y le proporcionarán una copia de esta información adicional.

Recuerde que en todo momento puede pedir citas directamente para los proveedores de cuidado de la vista y proveedores dentales. Si necesita asistencia para localizar a un especialista de la vista, comuníquese con Avesis al **844-478-0512**. Si necesita asistencia por problemas dentales en adultos, llame a Avesis al **844-478-0512**.
